- Differential housing
- Differential gears

VOLVO FM / FMX 13 (4)

STANDARD COVER

Scheduled Maintenance

The vehicle must be maintained as outlined in the Volvo Optimised Service Plan (VOSP) for the standard and Driveline Warranties to remain valid.

Volvo Truck warranty cannot support claims for any components that are not maintained and/or neglected. All coolants, oils and filters and other consumables used must meet Volvo Truck specifications.

Maintenance

If maintenance components do not meet Volvo Truck specifications the necessary replacement, repair or adjustment will be made without charge if rectified within 120 days or 50,000 kms**, and vibrations within 6 weeks or 15,000 kms** from date of delivery.

Examples of excluded items which are either part of normal maintenance or wear & tear include:

Oil, fuel, air, coolant and air-conditioner filters, drive belts, lubricants, bulbs, fuses, wiper blades, glass, shock absorbers, brake discs and pads, clutch plates and linings.

Examples of excluded adjustments which are part of normal maintenance include:

Engine valves, wheel and axle alignments, trailer brake valve and tightening of hoses, pipes and bolts.

Important

For the standard & Driveline Warranties to remain valid mandatory warranty services, inspections, downloads, oil sampling and repairs must be completed "prior" to the expiry dates and/or distances detailed.

Towing and Roadside Assist

Towing and Roadside Assist coverage (trailers not included) is provided to the closest authorised Volvo Dealer or repairer from:

- 12 months / unlimited kms
- 13 - 24 months / 500,000 kms / 6,250 hrs** on listed driveline components

Cab Structure and Corrosion Coverage

Cab structure and corrosion coverage from:

- 0-36 months / unlimited kms

Warranty Period

Warranty coverages commence from the date stated on the "Warranty Certificate / Registration Form" contained in the Volvo Warranty Booklet, until "whichever occurs first" months, kms, engine hours or fuel burn.

Warranty Transfer

If the truck is sold into the same application or segment category, the balance of the warranty can be transferred at no cost.

If sold into a different application or segment category, some or all of the warranty may be valid.

Please contact your local Dealer.

Applications over 131t GCM

Please contact your dealer for warranty coverage on vehicle applications over 131 tonne GCM.

The benefits conferred by the Volvo FH (4) Warranty are in addition to other rights and remedies available under the Australian Consumer Law. Please refer to the Volvo Warranty Booklet for further warranty coverage clarification and information.

*Note: ** Whichever occurs first – months, kms, engine hours or fuel burn.*
