VOLVO GOLD SERVICE CONTRACT

Remote monitoring, truck repairs and scheduled maintenance

With scheduled maintenance, remote monitoring and truck repairs* included, you know the exact monthly cost of your truck. The result: a worry-free ownership and the time you need to focus on your business.

It's great for your truck - and your business

Thanks to Volvo's extensive dealer network and connected services, and the fact that maintenance and repairs are planned and scheduled together with you, you get maximum uptime.

Our certified technicians only use Genuine Volvo Parts and have access to all the specialised equipment, diagnostic tools and the database systems needed to keep your truck at peak performance and on the road available for work.

With a Volvo Gold Service Contract you can enjoy full cost control and peace of mind. With complete truck coverage there are no unexpected costs and you do not have to worry about unplanned standstills. We handle all the practicalities while you can enjoy a reliable and fuel-efficient top-performing truck and a lower total cost of ownership.
